INTRODUCTION

GROUP INTRODUCTION

GROUP INTRODUCTION

We are a group of companies with factories located in different countries, and our headquarters are situated in the beautiful city of Guangzhou, China. Guangzhou is the third-largest city in China and serves as a significant center for trade, science, and transportation in South China, as well as a well-known global business hub.

Our company consists of two independent divisions: one focused on manufacturing products and the other on sourcing. In our manufacturing division, we operate two factories in China and one factory in India.

In our Chinese factories, we produce a variety of items for the hospitality and HORECA industries, including live cooking stations, hotel kitchen products, trolleys, OS&E items, banquet furniture, shaving/makeup mirrors, dustbins, podiums, hangers, and more. Our factory in India specializes in outdoor Furniture, customized hotel furniture (FF&E) and home furnishings; it is equipped with advanced technology, including our own PVD plant and technical machinery.

Our mission is to provide the best products and solutions to our clients, leveraging our experience, knowledge, and innovation. Each production base employs highly skilled technical staff and design teams to ensure optimal results. We excel in customized products, OEM, and ODM services.

Our sourcing division assists clients in obtaining the right products at the right prices from reliable manufacturers. Navigating the vast number of factories in China can be challenging, but our sourcing team is always ready to offer comprehensive solutions to facilitate this process.

我们是一个在不同国家设有工厂的公司集团，我们的总部位于美丽的中国广州。广州是中国第三大城市，是华南地区重要的贸易、科学和交通中心，也是著名的全球商业中心。

我们公司由两个独立的部门组成：一个专注于制造产品，另一个专注于采购。在我们的制造部门，我们在中国有两家工厂，在印度有一家工厂。

在我们的中国工厂，我们为酒店和HORECA行业生产各种产品，包括现场烹饪台，酒店厨房产品，手推车，OS&E项目，宴会家具，剃须/化妆镜，垃圾箱，讲台，衣架等等。我们在印度的工厂专业生产户外家具，定制酒店家具（FF&E）和家居用品；它拥有先进的技术，包括我们自己的PVD设备和技术机械。

我们的使命是利用我们的经验、知识和创新，为客户提供最好的产品和解决方案。每个生产基地都拥有高技能的技术人员和设计团队，以确保最佳效果。我们擅长定制产品，OEM和ODM服务。

我们的采购部门帮助客户从可靠的制造商那里以合适的价格获得合适的产品。在中国大量的工厂中进行导航可能具有挑战性，但我们的采购团队随时准备提供全面的解决方案来促进这一过程。
